About Foster Care Support Foundation

Foster Care Support Foundation is excited to offer a resource for displaced teens: the Hope 4 Tomorrow Mentoring Program.

Our mission: To strengthen the ability of foster families to meet the needs of their foster children by implementing a community based resource and education that can decrease the need for institutionalized care.

Foster Care Support Foundation has served Georgia children and families since 1996 by providing educational trainings, community resources, and basic daily care items to displaced, abused, and neglected children through quality programs that have met the needs of thousands of youth annually. FCSF is a tax-exempt 501(c)(3) nonprofit organization.

Every Child has the Potential to Thrive!

Be a Mentor. Motivate the future.

The Hope 4 Tomorrow Mentoring Program (H4T) at Foster Care Support Foundation provides support, guidance and resources to displaced teens to ensure their successful future. Our collaboration with various community partners, corporations and the Division of Family and Children Services promotes academic, lifestyle and financial excellence in their lives.

Who are our Mentors?

Mentors of the H4T program are leaders who wish to provide a positive example through support and guidance of a teen residing with a relative family member. Mentors will be provided with H4T training to prepare them for working with their youth mentee.

Mentor Requirements

- At least 25 years old
- Complete interview and 6-hour mentor training
- Pass background and driving record checks
- Minimum 12-month commitment to program
- Spend 4 hours monthly in person with mentee with additional communication during the month

Curriculum

H4T’s curriculum focuses on the empowerment of our youth and the primary goal of creating better futures for displaced teens. Workshops include field trips, interactive learning and engaging sessions covering topics including, but not limited to:

- Financial Literacy and Budgeting
- Health, Wellness and Nutrition
- College Planning and Career Readiness
- Resumes and Job Applications
- Alcohol Drug Awareness
- Healthy Relationships

We will also address other relevant, age-specific topics that prepare youth for their transition into adulthood.

Who are our Mentees?

Our mentees are teens in 9th through 12th (or pursuing a GED) grade in foster care, groups homes and relatives’ homes. Youth are referred to the mentoring program by the Division of Family and Children Services, schools, faith-based institutions, and other partners.

“The delicate balance of mentoring someone is not creating them in your own image, but giving them the opportunity to create themselves.”

–Steven Spielberg
